

*Commercial / Industrial Boilers, Burners, Control Systems, Pumps, Water Heaters, Parts and Accessories*

**BOILERS & WATER HEATERS**

**BURNHAM COMMERCIAL BOILERS**

Hot water & steam firetube, firebox and Scotch Marine design boilers and accessories

**Patterson-Kelley**

**PATTERSON KELLEY BOILERS**

Cast Aluminum condensing boilers, stainless steel condensing boilers, copper fin mid-efficiency boilers and indirect water heaters

**COLUMBIA BOILER COMPANY**

Hot water and steam watertube and firetube boilers, boiler feed units and blow down separators

**HUBBELL WATER HEATERS**

Electric, gas and steam fired water heaters for commercial, food service, marine and special applications

**DE DIETRICH BOILERS**

Cast aluminum condensing boilers, stainless steel condensing boilers, stainless steel condensing water heaters,

**VELOCITY CROWN BOILERS**

Commercial cast iron steam and hot water boilers

**BURNERS**

**S.T. JOHNSON**

Forced draft burners, gas/oil combination Low-NOx capabilities

**CONTROLS**

**FIREYE**

Flame safeguards & burner management systems, flame monitors

**HEAT TIMER**

Electronic controls, valves and actuators boiler controls and sequencers

**HAYS CLEVELAND**

Controllers and work stations, O2 analyzers, actuators & regulators and control panels

**HONEYWELL**

Industrial controls, flame safeguards, HVAC controls; valves and actuators

**SIEMENS**

Linkageless burner management systems, rotary and linear actuators and boiler controls

**SAGE METERING INC.**

Thermal mass flow meters; insertion or in-line style

**HYDRONIC SPECIALTIES &**

**CALEFACTIO**

Air separators, expansion tanks, glycol fill packages and acid neutralizers for condensing boilers

**CALEFFI**

Air and dirt separators, pressure fill valves, radiant heating controls and zoning devices and accessories

### PUMPS & ACCESSORIES

#### EMERSON

Variable frequency drives and soft starters

#### FABTEK

Condensate return pumps, boiler feed pumping packages. Specializing in custom and stainless steel receivers

MARSHALL ENGINEERED PRODUCTS CO.

#### MEPCO

(Formerly Dunham-Bush)  
Steam Traps, centrifugal pumps, condensate return pumps, boiler feed pumping packages

### BOILER ROOM ACCESSORIES

#### DWYER INSTRUMENTS INC.

Pressure, temperature and air velocity gauges, flow meters and data loggers

#### MILJOCO CORPORATION

Pressure and temperature gauges and controls and digital thermometers

#### HAUCK MANUFACTURING COMPANY

Burners, blowers, valves, regulators, flame monitoring and combustion controls

#### SECURITY CHIMNEYS

Stainless steel and aluminum stack for condensing and power burners, grease ducts, diesel and bio-fuel exhaust systems

#### KENTUBE ENGINEERED PRODUCTS

Boiler economizers

#### LOCKWOOD PRODUCTS

Condensate return systems and boiler feed systems, deaerators and blow down separators

#### TOPOG-E GASKET COMPANY

Manhole gaskets, handhole gaskets, and custom boiler gaskets

#### MCDONNELL & MILLER

Low water cut-offs, mechanical feeders, flow controls and switches

#### WEBSTONE

Isolating flanges for inline pumps, ball valves check valves and specialized valves for wall hung boilers and water heaters
